DATE FILED: 3/10/2021

On January 29, 2021, the Court issued an order conditionally discontinuing this action.

Pursuant to the terms of that order, the plaintiff was provided the option to apply for restoration of the action to the active calendar of the Court by the date that was 60 days following the issuance of the order. In accordance with the terms of that order, if the plaintiff failed to apply for restoration of the case by that date, the case would be automatically dismissed with prejudice.

By letter dated March 9, 2021, the plaintiff requested that the Court extend the deadline for the plaintiff to apply for restoration of the case to the Court's active calendar, or, alternatively, for the parties to submit a stipulation of settlement and dismissal.<sup>1</sup> That application is GRANTED. Accordingly, the deadline for the plaintiff to apply for restoration of the case to the Court's active calendar, or, alternatively, for the parties to submit a stipulation of settlement and dismissal, is extended to April 9, 2021.

SO ORDERED.
